& BPA Free

Strong, space saving and stackable, the **Visto™** Fresh range offers a simple and practical food storage solution that's perfect for everyday use. **Visto™** Fresh containers are designed for use in the home and on the move, ideal for party catering, transporting bulk food or packed lunches for the kids.

- **Airtight leak-proof lids** - A silicon seal keeps food fresh, storage spaces clean and school bags dry
- **Versatile** - Designed to be practical for the pantry, fridge, freezer or school bag
- **Convenient** - Lightweight and modular to maximise shelf, drawer, fridge and freezer spaces
- **Style** - A simple robust design, available in transparent, contemporary and fun color combinations to suit any kitchen and the kids will love them.
