Fun and Fitness for Kids Equipment promotes a healthy Activity Based Lifestyle. Heavy duty construction for long lasting durability and function. For a complete gym see the entire Fun and Fitness for Kids collection (Treadmill, Stationary Bike, Walker, Weight Bench, Rower, Trampoline, Dumbbell Set, and Jump Rope with Full Video Instruction Program, Barbell Set, Fitness/Yoga Mat, and more). Collection pieces sold separately. The Fitness Mat is designed for durability and function. Rolls up for portability or storage when not in use. Always follow safe practices when exercising, stretching, or engaging in any other routine of fitness.

- Full sized all-purpose Fitness mat measures 23 3/4" x 67" for plenty of room to exercise or stretch
- Mat thickness is a comfortable 5/16" (8MM) NBR Foam
- Easy to roll up and take with you for your next group or on location workouts
- NBR foam is easy to clean with a damp cloth
- Recommended for all ages
